**Terminal Disclaimer to Copending Application**

Sir:

Your petitioner, Colgate-Palmolive Company, a corporation of the state of Delaware, represents that it is the owner of the entire right, title and interest to the above-identified application Serial No. 10/016,406 by virtue of an Assignment which is being filed simultaneously in the U.S. Patent Office and copending U.S. application Serial No. 9/920,673 by virtue of an Assignment having been filed in the U.S. Patent Office. Your petitioner hereby disclaims the terminal part of any patent granted on the above-identified application, which would extend beyond the full and complete expiration date of any patent so granted on the above-identified application shall be enforceable only for and during such period that the legal title to said patent shall be the same as legal title to the patent issuing from copending Serial No. 9/920,673, this agreement to run with any patent granted on the above-identified application and to binding upon the grantee, his successors or assigns except in the event that U.S. Patent issuing from Serial No. 9/920,673 later expires for failure to pay a maintenance fee, is held unenforceable, is found invalid, is statutorily disclaimed in whole or terminal disclaimed under 37 CFR 1.321(a), has all claims canceled by a reexamination certificate, or is otherwise terminated prior to expiration of its statutory term as presently shortened by any terminal disclaimer, except for the separation of legal title stated above.

The petitioner represents that it has reviewed the required evidentiary records of assignment as evidenced by the Assignment to U.S. Serial No. 10/016,406 which has been filed herewith in the United States Patent Office and to the Assignment (Exhibit B) to U.S. Serial No. 9/920,673 which has been filed in the United States Patent Office and hereby certifies that, to the best of petitioner's knowledge and belief by the virtue of these Assignments, title is in the assignee seeking to take the action.

The Commissioner is hereby authorized to charge the \$110.00 fee for this Terminal Disclaimer to our Deposit Account No. 03-2455 and to credit any overpayment or to charge any additional amount required by this paper (including the full amount of the fee if no check is enclosed), to Deposit Account No. 03-2455. This transmittal is being submitted in duplicate.

The undersigned is authorized by the assignee, Colgate-Palmolive Company to execute this Terminal Disclaimer on behalf of the assignee.

Terminal Disclaimer to U.S. Patent

Sir:

Your petitioner, Colgate-Palmolive Company, a corporation of the state of Delaware, represents that it is the owner of the entire right, title and interest to the above-identified application Serial No. 10/016,406 by virtue of an Assignment which is being filed simultaneously herewith in the U.S. Patent Office and to U.S. Patent No. 6,436,887 by virtue of an Assignment which is recorded in the United States Patent Office at Reel 012799, Frame 0524. Your petitioner hereby disclaims the terminal part of any patent granted on the above-identified application, which would extend beyond the full and complete expiration date of U.S. Patent No. 6,436,887, and hereby agrees that any patent so granted on the above-identified application shall be enforceable only for and during such period that the legal title to said patent shall be the same as legal title to U.S. Patent 6,436,887. This agreement is to run with any patent granted on the above-identified application and to binding upon the grantee, his successors or assigns except in the event that U.S. Patent 6,436,887 later expires for failure to pay a maintenance fee, is held unenforceable, is found invalid, is statutorily disclaimed in whole or terminal disclaimed under 37 CFR 1.321(a), has all claims canceled by a reexamination certificate, or is otherwise terminated prior to expiration of its statutory term as presently shortened by any terminal disclaimer, except for the separation of legal title stated above.

The petitioner represents that it has reviewed the required evidentiary records of Assignments as evidenced by the Assignments to U.S. Serial No. 10/016,406 having been previously filed in the U.S. Patent Office and to U.S. Patent 6,436,887 filed in the United States Patent Office and hereby certifies that, to the best of petitioner's knowledge and belief by the virtue of these Assignments, title is in the assignee seeking to take the action.

The Commissioner is hereby authorized to charge the \$110.00 fee for this Terminal Disclaimer to our Deposit Account No. 03-2455 and to credit any overpayment or to charge any additional amount required by this paper (including the full amount of the fee if no check is enclosed), to Deposit Account No. 03-2455. This transmittal is being submitted in duplicate.

The undersigned is authorized by the assignee, Colgate-Palmolive Company to execute this Terminal Disclaimer on behalf of the assignee.

Terminal Disclaimer to U.S. Patent

Sir:

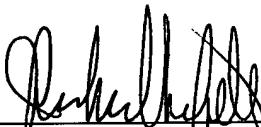

Your petitioner, Colgate-Palmolive Company, a corporation of the state of Delaware, represents that it is the owner of the entire right, title and interest to the above-identified application Serial No. 10/016,406 by virtue of an Assignment which is being filed simultaneously herewith in the U.S. Patent Office and to U.S. Patent No. 6,495,499 by virtue of an Assignment which is recorded in the United States Patent Office at Reel 013197, Frame 0757. Your petitioner hereby disclaims the terminal part of any patent granted on the above-identified application, which would extend beyond the full and complete expiration date of U.S. Patent No. 6,495,499, and hereby agrees that any patent so granted on the above-identified application shall be enforceable only for and during such period that the legal title to said patent shall be the same as legal title to U.S. Patent 6,495,499. This agreement is to run with any patent granted on the above-identified application and to binding upon the grantee, his successors or assigns except in the event that U.S. Patent 6,495,499 later expires for failure to pay a maintenance fee, is held unenforceable, is found invalid, is statutorily disclaimed in while or terminal disclaimed under 37 CFR 1.321(a), has all claims canceled by a reexamination certificate, or is otherwise terminated prior to expiration of its statutory term as presently shortened by any terminal disclaimer, except for the separation of legal title stated above.

The petitioner represents that it has reviewed the required evidentiary records of Assignments as evidenced by the Assignments to U.S. Serial No. 10/016,406 having been previously filed in the U.S. Patent Office and to U.S. Patent 6,495,499 filed in the United States Patent Office and hereby certifies that, to the best of petitioner's knowledge and belief by the virtue of these Assignments, title is in the assignee seeking to take the action.

The Commissioner is hereby authorized to charge the \$110.00 fee for this Terminal Disclaimer to our Deposit Account No. 03-2455 and to credit any overpayment or to charge any additional amount required by this paper (including the full amount of the fee if no check is enclosed), to Deposit Account No. 03-2455. Terminal Disclaimer to Copending Application

Sir:

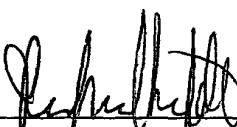

Your petitioner, Colgate-Palmolive Company, a corporation of the state of Delaware, represents that it is the owner of the entire right, title and interest to the above-identified application Serial No. 10/016,406 by virtue of an Assignment which is being filed simultaneously in the U.S. Patent Office and copending U.S. application Serial No. 9/920,673 by virtue of an Assignment having been filed in the U.S. Patent Office. Your petitioner hereby disclaims the terminal part of any patent granted on the above-identified application, which would extend beyond the full and complete expiration date of any patent so granted on the above-identified application shall be enforceable only for and during such period that the legal title to said patent shall be the same as legal title to the patent issuing from copending Serial No. 9/920,673, this agreement to run with any patent granted on the above-identified application and to binding upon the grantee, his successors or assigns except in the event that U.S. Patent issuing from Serial No. 9/920,673 later expires for failure to pay a maintenance fee, is held unenforceable, is found invalid, is statutorily disclaimed in whole or terminal disclaimed under 37 CFR 1.321(a), has all claims canceled by a reexamination certificate, or is otherwise terminated prior to expiration of its statutory term as presently shortened by any terminal disclaimer, except for the separation of legal title stated above.

The petitioner represents that it has reviewed the required evidentiary records of assignment as evidenced by the Assignment to U.S. Serial No. 10/016,406 which has been filed herewith in the United States Patent Office and to the Assignment (Exhibit B) to U.S. Serial No. 9/920,673 which has been filed in the United States Patent Office and hereby certifies that, to the best of petitioner's knowledge and belief by the virtue of these Assignments, title is in the assignee seeking to take the action.

The Commissioner is hereby authorized to charge the \$110.00 fee for this Terminal Disclaimer to our Deposit Account No. 03-2455 and to credit any overpayment or to charge any additional amount required by this paper (including the full amount of the fee if no check is enclosed), to Deposit Account No. 03-2455. This transmittal is being submitted in duplicate.

The undersigned is authorized by the assignee, Colgate-Palmolive Company to execute this Terminal Disclaimer on behalf of the assignee.
